

With a canopy on the deck to accommodate the wedding ceremony, a couple can wed and then host the reception - with dancing on a specially designed and beautifully lit deck over the lake and dining in style under the thatched interior.

Accommodation is available in luxurious thatched lodges adjoining the Lacq de Chamonix venue and in cottages nestling amongst the vineyards on the large estate.

## Paradise in the Mountains . . .

situated on the edge of a lake high up in the Franschhoek mountains, Lacq de Chamonix is the perfect tranquil location to host weddings, corporate functions and special celebrations.

This beautiful venue can seat up to 80 people for a sit down dinner or up to 100 for a more casual cocktail function. Your party will be a magical relaxed experience for your guests and for you - never to be forgotten.

## Private and exclusive . . .

within the Chamonix Estate the venue boasts breathtaking views over the Franschhoek valley, which excludes the town below, giving one the feeling of complete privacy and intimacy.

There is a fully equipped kitchen to suit your particular needs - from fine fare to special braai facilities - whatever the occasion. Parking is no problem and luxurious bathrooms are on site.
